Leslie Nease is a speaker and writer with a passion for Jesus Christ. She is one of the weekend radio voices at His Radio (www.hisradio.com). She was a contestant on the hit reality show, *Survivor: China*, in 2007, where she had the experience of a life time.

Leslie's messages are filled with humor, real-life issues, and practical applications from God's Word. Leslie has a way of relating to people with her straightforward approach and willingness to be authentic about her struggles and victories.

Leslie knows what it's like to stand for your faith in an unpopular setting. During the first episode of *Survivor: China*, she was asked to bow before a statue in a Buddhist temple. However, Leslie refused to bow down and respectfully walked out. When confronted with her decision, she confidently stated, "I'm not religious, but I have a relationship with Jesus Christ, and I'm only going to put my face on the floor for Him."

Her short stay on *Survivor* has opened many doors for her to share her faith. She continues to be humbled by the opportunities to share the gospel of Jesus Christ with folks all around the world!
